

Dear Wells Families and Community Members,

I am honored to be able to take this opportunity to briefly introduce myself. My name is Sara Meyer, and I have the privilege of serving as the principal at Wells Elementary School.

I have been in the field of education for the last 14 years, and an administrator for the last seven years. I have had the opportunity to serve as assistant principal the past seven years in Plano ISD at Wells, Aldridge, Rose Haggar, Gullledge, Andrews, Memorial and Haun Elementary Schools. My teaching career included teaching at Shepard Elementary in 4th grade. My professional experience has involved working with diverse populations of students including general education, gifted, English Language Learners and special education students. I have thoroughly enjoyed and learned from my experiences with the great communities noted above. My first assistant principal assignment was part-time at Wells, and it brings me great joy and pleasure knowing that my first principal position is at Wells as well. It's like I'm coming back full circle!

In addition to work and friends, my husband Mike, two-year old son Colton and dog Landry keep me quite busy! My husband is both a teacher and coach at the high school level, so education is a top priority in our household. Additionally, I enjoy watching sporting events in person or on T.V. (Hook Em'!) and baking. We love to spend time catching up with family and friends or traveling as well!

My goal is to make every day a day where children are eager to learn and exposed to an environment in which optimal learning can take place on many levels. Through technology integration, a belief that one can always grow and improve, and a collaborative environment, I am confident that the Wells Elementary staff will continue meeting the intellectual, physical and social/emotional needs of your children, our students. The partnerships between students and staff, staff and parents, and parents and students are integral to this success. I look forward to the opportunity to meet the students, staff and families and serve the Wells community. We will make this a fantastic school year at Wells! Tiger Pride!

Sincerely,

Sara Meyer

Principal, Wells Elementary
