Helpful Websites for Hunt Families

There are many ways for parents to stay updated on what is happening at Hunt Elementary! Please take a few minutes to check-out or sign-up on the following websites.

Emergency Cards and Parent Consent Forms

Emergency Cards and Parent Consent Forms are completed online. To register for a Parent Portal account and/or to update your information and electronically sign your emergency form, go to: http://parent.mypisd.net. If you do not have computer access in your home, access will be made available at Hunt to complete your online registration/update. You will need your child’s student identification number to register a new account. If you do not know your child’s student identification number or have any other questions, please contact our school office at 469-752-4400.

★ Student Parent/Policy Guide: https://www.pisd.edu/Page/286
Families can locate the guide from the PISD.edu home page, discuss with students and sign electronically. However, these forms must be printed, signed, and returned to your child's classroom teacher:

★ Parent Portal https://parentportal.pisd.edu/Login.aspx
In addition to providing direct access to our Parent Viewer information (grades/attendance), the Parent Portal serves as the primary resource for all of the services provided online to our parents. This site gives you direct access into your child's classroom information, registration to your child's campus eNews, district-wide information and links to other often used services. You need your child’s school ID number to register.

★ Hunt eNews http://elist.pisd.edu/
Accessed through a link in Parent Portal, you can subscribe to receive email newsletter from Hunt Elementary. Letters and flyers will be sent through eNews from the principal, the office and other school staff. This is your way to stay current on events at school. Note: Once registered for eNews, you must still subscribe to Hunt specifically.

★ Hunt Elementary Website https://www.pisd.edu/hunt
Information on Hunt staff, programs, PTA, and quick links to PISD sites.

★ Hunt PTA https://marthahuntpta.com
Andrews PTA distributes event and activity information via email, giving families the option to receive a weekly email regarding upcoming events and activities. The PTA website will also provide up-to-date information and forms for membership, spirit wear orders, yearbook orders, PTA board member contact information, etc.

The district offers an online payment system for school lunches, Adventure Camp and after school care. PayPAMS is the preferred method of payments by parents. Parents can set up automatic payment plans, view account balances and history; receive automatic notification on balance status & more!

★ Menus for Lunch & Breakfast https://www.pisd.edu/Domain/217
The district will no longer provide paper menus for distribution. You will need to log into the website above to find which food selections are being offered each week.

★ Volunteer Application https://oea.pisd.edu/volunteer
Any parent who wishes to volunteer needs to visit the volunteer application link and fill out an application. The application process can take up to two weeks. The earlier you get it completed the sooner you will be able to volunteer for field trips, parties and helping around school. The application MUST be complete before you can volunteer. An application must be completed EVERY year (beginning in July), so even if you volunteered last year you need to complete the process again!
